

Services

We know that every moment of motor downtime costs you money. That's why Industrial Electric helps you get the parts you need, fast! We're also an authorized warranty shop for all major brands, so we can perform repairs or order replacements for you.

Our on-the-shelf stock is available 24/7. If we don't have what you need on the shelf, we're able to purchase all major brands at the lowest cost and get your parts shipped ASAP.

Major Brands Always In Stock

We are a stocking distributor for:

Baldor | Nidec | Aurora Motors USA

Quick Turnarounds

Product parts are kept on the shelf for:

Goulds | Myers | Flygt | Hydromatic

- DC brushes
- S.E.W. parts

Services

IEMS offers the following testing and troubleshooting service:

Test Run Capabilities

- 120V - 4160V AC
- 90V - 500V DC
- No load test run results with balance and thermal monitoring available

Dynamic Balancing

- On-site and off-site balancing
- Fans, impellers, hammer mills, rotors, and generators

Boom Truck

- Our 17 ton boom truck is capable of lifting up to 15,000 lbs.
- Available 24/7
- DOT-Certified, safety-trained drivers and service techs

*We also offer DC, generator, submersible, and gear box sales and service.

Surge Tester

- Surge comparison including phase-to-phase, pulse-to-pulse, and coil-to-coil
- DC Hi-Pot

Laser Alignment

- On-site laser alignment for direct-coupled and belt-driven assemblies. Doing it right the first time saves you money.

Core Loss Test

- All rewinds are tested for loss of core insulation before and after every burn out to prevent loss of efficiency

Burn Off Oven

- Temperature controlled burn off oven ensures the cleanest burn without efficiency loss
